

# REPORTING SEXUAL ASSAULT

What every San Jacinto College student should know:

## You are **NOT** alone.

San Jacinto College does not tolerate sexual assault in any form. Our caring faculty and staff will support you if you have been sexually assaulted.

**If you think you have been assaulted, we encourage you to take these steps:**

- ✓ **Get to a safe place and call someone.**
  - This can be the police, counselor, program advisor, professor, and/or someone else you trust – like a friend.
- ✓ **Do not wash, shower, bathe, or change clothes prior to a medical exam or treatment.**
  - This may destroy evidence that can be used to press charges if you choose to do so.
  - Before your medical exam or treatment, you can bring a change of clothes to the hospital or clinic to wear after the exam.
  - Keep evidence of emails, text messages, or phone messages, and do not delete or change them.
  - If you cannot report immediately, place all clothes/garments in a paper bag. If you have physical injuries, take photographs before cleansing or treating the wound(s)/bruise(s).
- ✓ **Call 911 and get to a safe place.**
  - It's important to get medical attention for any injuries, as well as to address pregnancy issues and STDs.
  - Campus personnel can assist you with obtaining transportation to a hospital or clinic, a police department, or other location.
  - For a trained volunteer to help you through the hospital process, call the Rape Crisis Hotline at 713-528-7273.
- ✓ **Seek counseling.**
  - You don't have to cope with sexual assault alone. You can call the Center for Advising, Career, and Transfer or the Rape Crisis Hotline.
